

archeological research.

Davoud Mohammadi, cites also from Dr. Heinrich Brogschen of Berlin University who had seen in 1860 some remains in a valley in Lar, which seemed a village or even a town covered by lava.

So, it can be said that Lar great valley is not only a fantastic and unique natural heritage, but also is a region. where like many other parts of Iran, has historical sites and constructions.

Anjoman Kuhnavardan Iran (The Alpine Club of Iran) is a non-governmental and non-profit organization founded in 2000, representing Iranian mountaineering community.

Goals to achieve:

- * Promote sport cooperation, and strengthen friendly relations between mountaineers.
- * Study of mountaineering and mountains by establishing an information center, a library, and through publications and meetings.
- * Attempt to conserve the mountain wilderness.
- * Support mountaineers, mountaineering clubs, and good-style mountaineering programmes.
- * Participation in mountain rescue activities.

According to the club's bylaws, it is directed by a seven-person board of directors who are elected for a period of two years in the "meeting of members".
